

THE XL 10-WATT LED PORTABLE LED HEADLIGHT SYSTEM

A portable LED Headlight built for the OR:
Introducing the XL 10-watt LED from Hig Q
and QED Medical.

We've integrated the brilliance of a 10-watt,
6000^o Kelvin LED with our Altair HI 2 optic to deliver
full functionality, versatility and intensity into
the field in a lightweight and comfortable
system suitable for the OR.
